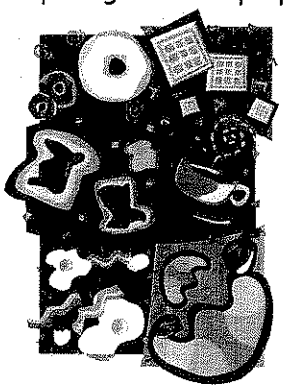
Start the day off right with a school breakfast!

Breakfast is served in the Cafeteria between 6:45-7:15.

Students may take food, but not beverages, outside of the cafeteria. No food or beverages may be taken into the gym. Students are responsible for cleaning up after themselves and disposing of trash properly.



Students may access their lunch account to pay for breakfast. We prefer that students prepay or pay by check. This will reduce wait time in line and allow more time for eating.

Students who quality for a free or reduced-price lunch will also qualify for a free or reduced-price breakfast.
