

Schedule Change Request

The master schedule of course offerings and of teaching assignments is arranged each year to accommodate the student requests made during the spring registration of the previous school year. Changes are limited to space available in scheduled classes. **Changes to new courses will only take place in the first five days of that course.**

All students must maintain a schedule that will permit graduation and will meet the minimum requirements for college admission.

Important Reminders

This is only a REQUEST!

- This form must be COMPLETED IN FULL with all signatures before your request will be considered. Complete and detailed information will enable your counselor to respond to you more quickly.
- You must continue to attend the classes on your current schedule until you receive an updated schedule from your counselor.
- If the request is approved, your counselor will give you an updated copy of your new schedule.

Reasons That May Justify Schedule Changes

Changes must meet one of the following criteria:

1. You need to add a class or Study Hall to make a 7 period day.
2. You need a *subject level* change. Please use the **Course Level Change** form.
3. You are assigned to a class taught by a teacher with whom you previously failed.

PLEASE NOTE: Classes dropped after the THIRD WEEK of the semester will result in a failing grade that will appear on your transcript.
