

2022-2023 Parking Pass Information and Registration

COST: Full-year passes are **\$110.00** this year. The parking fee is payable by cash, check made out to Milford High School, or via credit card. (If only purchasing one semester, passes will be **\$60**.) All payments are due on the first day of school; students are not permitted to park in an MHS Lot after the first day of school, unless payment is received. Fees are NOT prorated based on date of purchase.

LOCATIONS: Main Lot passes will be awarded **ONLY** to Seniors (Class of 2023). In order to be eligible for a main lot pass, the online registration form must be properly submitted by 2:30 pm on August 12th. (Main lot passes are not guaranteed due to a limited supply.)

Two other parking lots, our Soccer Lot and our Junior High Lot, are also available, for both upperclassmen and underclassmen. Locations of passes will be awarded based on requests submitted, class status, and time stamp of registration. Should Milford High School receive more parking pass applications than we have available space, students who request a pass will be placed on a waiting list, and then awarded a pass in the order of their time stamped registration, should a pass become available.

PROCESS: **Valid driver's license (NOT temporary permit) AND proof of insurance are required to qualify.**
