2. Audit
   The annual financial audit is expected to be completed in April.

3. Legal Services
   Mr. Rabe posted the question regarding an RFP for legal services to the members of OASBO (Ohio Association of School Business Officials) across the state. Mrs. Berkley also reached out to her human resources group and Mr. Johnson has reached out to his business manager’s group. We have not heard from anyone that has put out an RFP for legal services. We did hear from a couple of treasurers that indicated that when they went through this process, they reached out to the attorneys and had them meet with a group of administrators and a couple of board members.

4. Payroll Manager
   Brad Walker, our currently payroll manager, has accepted a position as the assistant treasurer for Lebanon. We have posted the position and will look to have the position filled in the next couple of weeks.

5. Dental Insurance
   The SWOOSH consortium voted to change dental insurance plans from Dental Care Plus to Met Life beginning June 1st. The change is a result of the increasing number of dentists dropping out of the Dental Care Plus network. The change to Met Life was the recommendation for an advisory committee that was established to review the various options.
6. Sunshine Law Training
   At the Board’s organizational meeting, the Board appointed Mr. Rabe to take the public records training. Mr. Rabe completed this training in February.

7. Records Commission Meeting
   Each year the District is required to hold a records commission meeting. The commission is made up of the board president, superintendent, and treasurer per ORC. The purpose of the meeting is to review the records retention schedule and approve of the destruction of records based on the schedule. The schedule itself is developed and approved by the Ohio Historical Society as well as by the Auditor of State. The annual meeting will be held on March 17th at 5:30pm.
