

2021-2022 Parking Pass Information and Registration

COST: Full-year passes are **\$95.00** payable by cash, check (% Milford High School), or via credit card. If only purchasing one semester, passes will be **\$50**. All payments are due on the first day of school; passes will not be issued and you will not be able to park in a Milford High School Parking Lot after the first day of school until payment is received. Pass costs WILL NOT be prorated based on date of purchase.

LOCATIONS: Main Lot passes will be awarded **ONLY** to Seniors (Class of 2022) this year. In order to be eligible for a main lot pass, the online registration form must be properly submitted by 11:59 pm on August 15th. Main lot passes are not guaranteed for Seniors, however. Two other parking lots, our Soccer Lot and our Junior High Lot, are also available, for both upperclassmen and underclassmen. Locations of passes will be awarded based on requests submitted, class status, and time stamp of registration.

**Should Milford High School receive more parking pass applications than we have available registrations/passes, students who request a pass will be placed on a waiting list, and then awarded a pass in the order of their time stamped registration, should a pass become available.*

PROCESS: **Valid driver's license AND proof of insurance are required to qualify.**

1. Fill out the **2021-22 MHS Parking Pass Registration Form**. You will receive a copy of your responses in your school email to serve as proof that your form was submitted.
2. An email will be sent out at the beginning of August with an announcement of Parking Pass Pickup times and dates. You will receive your Parking Pass upon remitting payment to Mrs. Becky Grilliot.
3. On the first day of school, park in your assigned parking lot whether or not you received your pass. There will be a specified time on the first day of school for you to remit payment for your pass and/or pick it up.

****If you have not submitted payment by end-of-day on Friday, August 27th, your parking pass will be forfeited to the next student on the waiting list.****

4. The parking pass must be clearly hung from the rearview mirror of the vehicle at all times while on campus.
 - If you lose your parking pass there will be a \$15 charge to purchase a new pass.
 - **Passes are NON-TRANSFERRABLE and may not be used or displayed by any student beside the registered purchaser.**
 - If you park in a lot to which your vehicle has not been assigned, or if you ignore parking lot procedures and safety precautions, your pass may be revoked or disciplinary measures taken.
